TERMINAL DISCLAIMER

The owner of one-hundred percent of this Application, Board of Regents of the Nevada System of Higher Education, on Behalf of the University of Nevada Reno, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of prior patent No. 7,260,980 as the term of said prior patent is defined in 35 U.S.C. § 154 and § 173, and as the term of said prior patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreements runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above terminal disclaimer, the owner does not disclaim the terminal part of the term of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 and § 173 of the prior patent, “as the term

of said prior patent is presently shorted by any terminal disclaimer,” in the event that said prior patent later:

expires for failure to pay a maintenance fee;

is held unenforceable;

is found invalid by a court of competent jurisdiction;

is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321;

has all the claims cancelled by a reexamination certification;

is reissued; or

is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

Respectfully submitted,
